ALBANY ROSE SOCIETY NEWS

The Albany Rose Society annual dinner is scheduled the day following the CRS luncheon at Stoneybrook. That is, Jan. 19th at Pop's Branding Iron in Albany. Both of our societies have enjoyed **Mark Lindsey** as a speaker and he is the speaker. He will expand on an issue that was only an incidental in his previous presentations. That is, "Rose Management with an eye to landscaping and household decoration, including, we hope friends and neighbors" My title, not his. Much that one reads and hears about roses comes in the context of growing exhibition roses. A small percentage of our two society's membership exhibit!

The Albany Rose Society will again make specially formulated rose fertilizer available. The price will be right! — **Ken Rowe** (call 541.752.0725)
